

# Privacy Policy for WarPosting

## Introduction

This Privacy Policy describes how WarPosting ("the App"), when embedded on our website, collects, uses, and shares your information through Facebook's platform. This policy applies to your use of our App which integrates with Facebook's services and APIs.

## Information We Collect

### Facebook User Information

- **Basic Profile Information:** When you connect with Facebook through our App, we may collect your name, profile picture, age range, gender, language, country, and other basic account information as permitted by your Facebook settings.
- **Public Information:** We may collect information that is public on your Facebook profile, such as your public posts and profile information.
- **Friends Information:** We may collect information about your Facebook friends who have also connected with our App, with their permission.
- **Email Address:** With your explicit permission, we may collect your email address from Facebook.
- **Facebook ID:** We collect your unique Facebook user ID to identify your account within our App.

### App Usage Information

- **Interaction Data:** We collect information about how you interact with our App, including features you use, actions you take, and time spent in the App.
- **Device Information:** We collect information about the device you use to access our App, including browser type, operating system, and device identifiers.
- **Log Data:** We collect log data when you use our App, such as your IP address, browser type, access times, and pages viewed.

## How We Use Your Information

### Core Purposes

- To provide, maintain, and improve our App

- To personalize your experience within the App
- To communicate with you about the App
- To provide customer support

## Facebook Integration

- To connect your Facebook account with our App
- To enable social features within the App
- To allow you to share content from the App to Facebook (with your permission)
- To display our Facebook profile information within the App

## Analytics and Improvement

- To analyze usage patterns to improve the App
- To conduct research and development for new features
- To monitor the performance of the App

## Information Sharing and Disclosure

### Within Facebook's Ecosystem

- We may share information with Facebook as necessary to operate the App and provide you with its features
- We may share information about your use of the App with Facebook for analytics and advertising purposes

### Third-Party Service Providers

- We may share your information with third-party service providers who help us operate the App, such as hosting providers, analytics services, and customer support platforms
- We may share aggregated, non-identifiable information with third parties for analytics and marketing purposes

## Legal Requirements

- We may access, preserve, and share your information with regulators, law enforcement, or others in response to legal requests
- We may share information when necessary to protect our rights, property, or safety, or that of our users or the public

## Data Retention

- We retain your information for as long as necessary to provide the App and fulfill the purposes outlined in this Policy
- You can request deletion of your information by disconnecting the App from your Facebook account or by contacting us

## Your Privacy Choices

### Facebook Settings

- You can control what information the App can access through your Facebook App Settings
- You can disconnect the App from your Facebook account at any time through your Facebook App Settings

### Data Management

- You can review, update, or delete your information within the App
- You can request a copy of your information or request deletion of your account by contacting us

## Children

- Our App is not directed to children under 13
- We do not knowingly collect information from children under 13

## Changes to This Policy

- We may update this Privacy Policy from time to time
- We will notify you of any changes by posting the new Policy within the App and updating the "effective date" at the top

## Facebook's Data Policy

- Our use of your information is also governed by Facebook's Data Policy, which can be found at <https://www.facebook.com/about/privacy>
- By using our App, you also agree to Facebook's terms and data policy

## Contact Us
